

United States District Court

EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION

UNITED STATES OF AMERICA,	§	
	§	Criminal Action No. 4:14-CR-136
v.	§	(Judge Jordan/Judge Nowak)
	§	
ROBERT AARON GREEN (1)	§	

MEMORANDUM ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant Robert Aaron Green's ("Defendant") supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons for a term of ten (10) months, to run concurrently with any term imposed in the District of Utah Cause No. 2:12-CR-128, with a term of supervised release of fifty (50) months to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

You must provide the probation officer with access to any requested financial information for purposes of monitoring restitution payments and employment.

You must not incur new credit charges or open additional lines of credit without the approval of the probation officer unless payment of any financial obligation ordered by the Court has been paid in full.

You must not participate in any form of gambling unless payment of any financial obligation ordered by the Court has been paid in full.

You must participate in a program of testing and treatment for drug abuse and follow the rules and regulations of that program until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must participate in any combination of psychiatric, psychological, or mental health treatment programs, and follow the rules and regulations of that program, until discharged. This includes taking any prescription medication that is prescribed by your treating physician. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must acquire a high school equivalency certificate.

You must reside in a residential reentry center or similar facility, in a prerelease component for a period of 180 days to commence upon release from confinement and must observe the rules of that facility. Should you obtain a residence approved by the probation officer during the 180-day placement, you must be released.

The Court also recommends that Defendant be housed in a Bureau of Prisons facility in Florida, if appropriate.

So ORDERED and SIGNED this 29th day of July, 2021.
